1 Purpose

To explain to our school community the Department's and Strathmore North's policy requirements and expectations relating to students using mobile phones during school hours.

2 Scope

This policy applies to:

1. All students at Strathmore North and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

3 Definitions

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

4 Policy

Strathmore North understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Strathmore North:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

4.1 Personal mobile phone use

In accordance with the Department's Mobile Phones Policy issued by the Minister for Education, personal mobile phones must not be used at Strathmore North Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

4.2 Secure storage

Mobile phones owned by students at Strathmore North Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Strathmore North primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are asked to refrain from bringing them unless required, and are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's Personal Goods policy.

Where students bring a mobile phone to school, Strathmore North Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Strathmore North Primary School students are required to bring their phones to the office to be stored in a lockable cupboard.
